

*A private enclave consisting of 20 units of 3-storey Semi-D Villa, beautifully designed with practical facades*

## A Haven Where Dreams & Imaginations Come True

The enclave offers 20 units of carefully planned 3-storey Semi-D Villa with contemporary, inspiring designs and modern, practical facades, which include wide lanes for cars. Watch the world go by while listening to the soothing sounds of nature or jog along the manicured pathways that wind through the gardens. Here, you can relax and discover an amazing sanctuary with your loved ones anytime.

## Indulge & Awaken Your Senses

Watch the world go by while listening to the soothing sounds of the wilderness, or jog along the manicured pathways that wind through the gardens. Mingle freely with neighbours and breathe in the scent of native tropical trees as well as flowering plants and herbs. Relax and rejuvenate whenever with the ones you love as there is no better place to be than up close with nature.

*Creating a greener and healthier community with landscaped, aromatic garden herbs.*

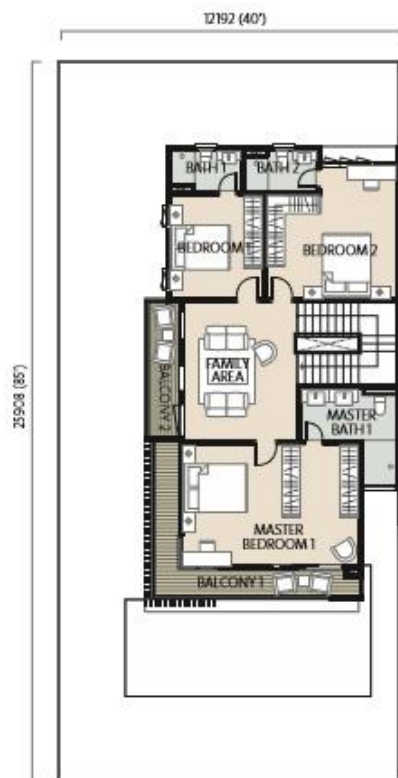

*Comfort is about indulging life  
the right way. Enjoy irresistible  
invitation any time within the  
day to dissolve into the freedom of  
your own world, in Alamaia...*

*Be greeted by serenity and happiness every time you return home.*
